Funds or their affiliates may pay compensation to Voya® affiliates offering a fund. Such compensation may be paid out of distribution, service and/or 12b-1 fees that are deducted from the fund's assets, and/or may be paid directly by the fund's affiliates. Any fees deducted from fund assets are discussed in the fund's prospectus and disclosed in the fund fact sheet. Because these fees are paid on an on-going basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges. Notes

You could lose money by investing in the Fund. Although the Fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. An investment in the Fund is not a bank account and is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Fund's sponsor is not required to reimburse the Fund for losses, and you should not expect that the sponsor will provide financial support to the Fund at any time, including during periods of market stress. Voya Investments, LLC (the "Investment Adviser") and the distributor are contractually obligated to waive a portion of their advisory fees and distribution and/or shareholder servicing fees, as applicable, and to reimburse certain expenses of the Portfolio to the extent necessary to assist the Portfolio in maintaining a net yield of not less than zero through May 1, 2025. There is no guarantee that the Portfolio will maintain such a yield. Any advisory fees waived or expenses reimbursed may be subject to possible recoupment by the Investment Adviser within 36 months of the waiver or reimbursement. The amount of the recoupment is limited to the lesser of the amounts that would be recoupable under: (i) the expense limitation in effect at the time of the waiver or reimbursement; or (ii) the expense limitation in effect at the time of recoupment. In no event will the amount of the recoupment on any day exceed 20% of the yield (net of all expenses) of the Portfolio on that day. The Investment Adviser is contractually obligated to waive 0.045% of the management fee through May 1, 2025. Termination or modification of these obligations requires approval by the Portfolio's Board of Trustees (the "Board").
