Investment Objective & Strategy

From the investment's prospectus

The investment seeks to provide growth of capital.

The fund invests primarily in the equity securities of science and technology companies around the globe. Under normal circumstances, it invests at least 80% of its net assets in securities of science or technology companies. The fund also may invest in companies that utilize science and/or technology as an agent of change to significantly enhance their business opportunities. It may invest in securities issued by companies of any size, and may invest without limitation in foreign securities, including securities of issuers within emerging markets. The fund is non-diversified.

Important Information

Please refer to the Morningstar Disclosure and Glossary document contained in your plan's eligibility package for additional information. You may always access the most current version of the Disclosure and Glossary at <https://www.voyaretirementplans.com/fundonepagerscolor/DisclosureGlossary.pdf>

Funds or their affiliates may pay compensation to Voya® affiliates offering a fund. Such compensation may be paid out of distribution, service and/or 12b-1 fees that are deducted from the fund's assets, and/or may be paid directly by the fund's affiliates. Any fees deducted from fund assets are discussed in the fund's prospectus and disclosed in the fund fact sheet. Because these fees are paid on an on-going basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges. If offered through a retirement program, additional fees and expenses may be charged under that program. NOT A DEPOSIT. NOT FDIC INSURED. NOT INSURED BY ANY FEDERAL GOVERNMENT AGENCY. NOT GUARANTEED BY THE INSTITUTION. MAY GO DOWN IN VALUE.

Notes

Investments in the Fund are not and will not be deposits with or liabilities of Macquarie Bank Limited ABN46008583542 and its holding companies, including their subsidiaries or related companies (the "MacquarieGroup"), and are subject to investment risk, including possible delays in repayment and loss of income and capital invested. No Macquarie Group company guarantees or will guarantee the performance of the Fund, there payment of capital from the Fund, or any particular rate of return. Acquired fund fees and expenses sets forth the Fund's pro rata portion of the cumulative expenses charged by the registered investment companies (RICs) in which the Fund invested during the last fiscal year. The Acquired fund fees and expenses shown are based on the total expense ratio of the RICs for the RICs' most recent fiscal period. These expenses are not direct costs paid by Fund shareholders, and are not used to calculate the Fund's NAV. The Total annual fund operating expenses ratio shown above does not correlate to the expense ratio shown in the Financial Highlights table because that ratio does not include the Acquired fund fees and expenses.
