

Ivy Science and Technology Fund - Class Y

Category
Technology

Investment Objective & Strategy

From the investment's prospectus

The investment seeks to provide growth of capital.

The fund invests primarily in the equity securities of science and technology companies around the globe. Under normal circumstances, it invests at least 80% of its net assets in securities of science or technology companies. The fund also may invest in companies that utilize science and/or technology as an agent of change to significantly enhance their business opportunities. It may invest in securities issued by companies of any size, and may invest without limitation in foreign securities, including securities of issuers within emerging markets. The fund is non-diversified.

Important Information

Morningstar Investment Profiles must be accompanied by Morningstar Disclosure and Glossary.

Funds or their affiliates may pay compensation to Voya® affiliates offering a fund. Such compensation may be paid out of distribution, service and/or 12b-1 fees that are deducted from the fund's assets, and/or may be paid directly by the fund's affiliates. Any fees deducted from fund assets are discussed in the fund's prospectus and disclosed in the fund fact sheet. Because these fees are paid on an on-going basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges. If offered through a retirement program, additional fees and expenses may be charged under that program. NOT A DEPOSIT. NOT FDIC INSURED. NOT INSURED BY ANY FEDERAL GOVERNMENT AGENCY. NOT GUARANTEED BY THE INSTITUTION. MAY GO DOWN IN VALUE.

Notes

Through July 31, 2021, IDI and/or WISC have contractually agreed to reimburse sufficient 12b-1 and/or shareholder servicing fees to ensure that the total annual ordinary fund operating expenses of the Class Y shares do not exceed the total annual ordinary fund operating expenses of the Class A shares as calculated at the end of each month. Prior to that date, the expense limitation may not be terminated without the consent of the Board.
