

Fidelity® VIP High Income Portfolio - Initial Class

Release Date
09-30-18

Category
High Yield Bond

Investment Objective & Strategy

The investment seeks a high level of current income, while also considering growth of capital.

The fund primarily invests in income-producing debt securities, preferred stocks, and convertible securities, with an emphasis on lower-quality debt securities. It potentially invests in non-income producing securities, including defaulted securities and common stocks. The fund invests in companies in troubled or uncertain financial condition. It invests in domestic and foreign issuers. The fund uses fundamental analysis of each issuer's financial condition and industry position and market and economic conditions to select investments.

Foreign Securities, Loss of Money, Not FDIC Insured, Issuer, Interest Rate, Market/Market Volatility, Equity Securities

Important Information

Morningstar Investment Profiles must be accompanied by Morningstar Disclosure and Glossary.

Funds or their affiliates may pay compensation to Voya® affiliates offering a fund. Such compensation may be paid out of distribution, service and/or 12b-1 fees that are deducted from the fund's assets, and/or may be paid directly by the fund's affiliates. Any fees deducted from fund assets are discussed in the fund's prospectus and disclosed in the fund fact sheet. Because these fees are paid on an on-going basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges. If offered through a retirement program, additional fees and expenses may be charged under that program. NOT A DEPOSIT. NOT FDIC INSURED. NOT INSURED BY ANY FEDERAL GOVERNMENT AGENCY. NOT GUARANTEED BY THE INSTITUTION. MAY GO DOWN IN VALUE.
