

Voya Government Money Market Fund - Class I

Category
Money Market-Taxable

Investment Objective & Strategy

From the investment's prospectus

The investment seeks to provide investors with a high level of current income consistent with preservation of capital and liquidity and the maintenance of a stable \$1.00 net asset value per share.

The fund invests at least 99.5% of its total assets in government securities, cash and repurchase agreements collateralized fully by government securities or cash. In addition, under normal market conditions, it invests at least 80% of its net assets (plus borrowings for investment purposes) in government securities and repurchase agreements that are collateralized by government securities.

Past name(s) : Voya Money Market I.

Important Information

Please refer to the Morningstar Disclosure and Glossary document contained in your plan's eligibility package for additional information. You may always access the most current version of the Disclosure and Glossary at <https://www.voyaretirementplans.com/fundonepagerscolor/DisclosureGlossary.pdf>

Funds or their affiliates may pay compensation to Voya® affiliates offering a fund. Such compensation may be paid out of distribution, service and/or 12b-1 fees that are deducted from the fund's assets, and/or may be paid directly by the fund's affiliates. Any fees deducted from fund assets are discussed in the fund's prospectus and disclosed in the fund fact sheet. Because these fees are paid on an on-going basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges. If offered through a retirement program, additional fees and expenses may be charged under that program. NOT A DEPOSIT. NOT FDIC INSURED. NOT INSURED BY ANY FEDERAL GOVERNMENT AGENCY. NOT GUARANTEED BY THE INSTITUTION. MAY GO DOWN IN VALUE.

Notes

You could lose money by investing in the Fund. Although the Fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. An investment in the Fund is not a bank account and is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Fund's sponsor is not required to reimburse the Fund for losses, and you should not expect that the sponsor will provide financial support to the Fund at any time, including during periods of market stress. Other Expenses are based on estimated amounts for the current fiscal year. Voya Investments, LLC (the "Investment Adviser") is contractually obligated to limit expenses to 0.35% Class I shares, through August 1, 2025. The limitation does not extend to interest, taxes, investment-related costs, leverage expenses, extraordinary expenses, and Acquired Fund Fees and Expenses. This limitation is subject to possible recoupment by the Investment Adviser within 36 months of the waiver or reimbursement. The amount of the recoupment is limited to the lesser of the amounts that would be recoupable under: (i) the expense limitation in effect at the time of the waiver or reimbursement; or (ii) the expense limitation in effect at the time of recoupment. The Investment Adviser and distributor are contractually obligated to waive a portion of their management fees and distribution and/or shareholder services fees, as applicable, and to reimburse certain expenses of the Fund to the extent necessary to assist the Fund in maintaining a yield of not less than zero through August 1, 2025. There is no guarantee that the Fund will maintain such a yield. Any management fees waived or expenses reimbursed may be subject to possible recoupment by the Investment Adviser within 36 months of the waiver or reimbursement. In no event will the amount of the recoupment on any day exceed 20% of the yield (net of all expenses) of the Fund on that day. Termination or modification of these obligations requires approval by the Fund's Board of Trustees (the "Board").
