

Pax Sustainable Allocation Fund - Investor Class

Category
Moderate Allocation

Investment Objective & Strategy

From the investment's prospectus

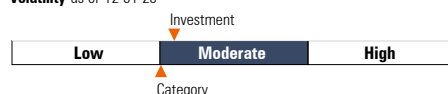

The investment seeks income and conservation of principal; as a secondary investment objective, the fund seeks long-term growth of capital.

The adviser normally expects to invest approximately 50-75% of its assets in equity securities and 25-50% of its assets in debt securities (including but not limited to debt securities convertible into equity securities). The fund's multi-asset ESG strategy is designed to achieve lower volatility by combining complementary investment approaches.

Past name(s) : Pax Sustainable Allocation Inv.

Important Information

Please refer to the Morningstar Disclosure and Glossary document contained in your plan's eligibility package for additional information. You may always access the most current version of the Disclosure and Glossary at <https://www.voyaretirementplans.com/fundonepagerscolor/DisclosureGlossary.pdf>

Funds or their affiliates may pay compensation to Voya® affiliates offering a fund. Such compensation may be paid out of distribution, service and/or 12b-1 fees that are deducted from the fund's assets, and/or may be paid directly by the fund's affiliates. Any fees deducted from fund assets are discussed in the fund's prospectus and disclosed in the fund fact sheet. Because these fees are paid on an on-going basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges. If offered through a retirement program, additional fees and expenses may be charged under that program. NOT A DEPOSIT. NOT FDIC INSURED. NOT INSURED BY ANY FEDERAL GOVERNMENT AGENCY. NOT GUARANTEED BY THE INSTITUTION. MAY GO DOWN IN VALUE.

Notes

The management fee is a unified fee that includes all of the operating costs and expenses of the Fund (other than taxes, charges of governmental agencies, interest, brokerage commissions incurred in connection with portfolio transactions, distribution and/or service fees payable under a plan pursuant to Rule 12b-1 under the Investment Company Act of 1940, acquired fund fees and expenses and extraordinary expenses), including accounting expenses, administrator, transfer agent and custodian fees, Fund legal fees and other expenses. Acquired Fund Fees and Expenses ("AFFEs") represent expenses indirectly borne by the Fund through its investment in other investment companies.
