Funds or their affiliates may pay compensation to Voya® affiliates offering a fund. Such compensation may be paid out of distribution, service and/or 12b-1 fees that are deducted from the fund's assets, and/or may be paid directly by the fund's affiliates. Any fees deducted from fund assets are discussed in the fund's prospectus and disclosed in the fund fact sheet. Because these fees are paid on an on-going basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges. If offered through a retirement program, additional fees and expenses may be charged under that program. NOT A DEPOSIT. NOT FDIC INSURED. NOT INSURED BY ANY FEDERAL GOVERNMENT AGENCY. NOT GUARANTEED BY THE INSTITUTION. MAY GO DOWN IN VALUE.

Notes

"Other Expenses" include interest expense of 0.15%. Interest expense is borne by the Fund separately from the management fees paid to Pacific Investment Management Company LLC ("PIMCO"). Excluding interest expense, Total Annual Fund Operating Expenses After Fee Waiver and/or Expense Reimbursement is 0.76% for Institutional Class. Interest expense is calculated and presented equally across all share classes. As a result, Total Annual Fund Operating Expenses After Fee Waiver and/or Expense Reimbursement may not match the Ratio of Expenses to Average Net Assets for certain share classes, as set forth in the Financial Highlights table of the Fund's prospectus, because the Ratio of Expenses to Average Net Assets is calculated based on the average net assets of the applicable share class. This Fee Waiver Agreement renews annually unless terminated by PIMCO upon at least 30 days' prior notice to the end of the contract term. PIMCO has contractually agreed, through July 31, 2025, to waive its advisory fee by 0.05% of the average daily net assets attributable to the Fund. This Fee Waiver Agreement may be terminated by PIMCO Funds (the "Trust") upon 90 days' prior written notice to PIMCO.
