

Voya Large Cap Growth Portfolio - Institutional Class

Category
Large Growth

Investment Objective & Strategy

From the investment's prospectus

The investment seeks long-term capital growth.

The Portfolio invests at least 80% of its net assets (plus borrowings for investment purposes) in common stocks of large-capitalization companies. It normally invests in companies that the sub-adviser believes have above-average growth prospects. For this Portfolio, large-capitalization companies are companies with market capitalizations which fall within the range of companies in the Russell 1000® Growth Index at the time of purchase.

Past name(s) : ING Large Cap Growth Port I.

Important Information

Morningstar Investment Profiles must be accompanied by Morningstar Disclosure and Glossary.

Funds or their affiliates may pay compensation to Voya® affiliates offering a fund. Such compensation may be paid out of distribution, service and/or 12b-1 fees that are deducted from the fund's assets, and/or may be paid directly by the fund's affiliates. Any fees deducted from fund assets are discussed in the fund's prospectus and disclosed in the fund fact sheet. Because these fees are paid on an on-going basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges. If offered through a retirement program, additional fees and expenses may be charged under that program. NOT A DEPOSIT. NOT FDIC INSURED. NOT INSURED BY ANY FEDERAL GOVERNMENT AGENCY. NOT GUARANTEED BY THE INSTITUTION. MAY GO DOWN IN VALUE.
