

VY® Invesco Growth and Income Portfolio - Service Class

Category
Large Value

Investment Objective & Strategy

From the investment's prospectus

The investment seeks long-term growth of capital and income.

Under normal market conditions, the Portfolio invests primarily in what the sub-adviser believe to be income-producing equity securities, including common stocks and convertible securities; although investments are also made in non-convertible preferred stocks and debt instruments rated "investment-grade," which are securities rated within the four highest grades assigned by S&P Global Ratings or by Moody's Investors Service, Inc.

Past name(s) : ING Invesco Growth and Income S.

Important Information

Morningstar Investment Profiles must be accompanied by Morningstar Disclosure and Glossary.

Funds or their affiliates may pay compensation to Voya® affiliates offering a fund. Such compensation may be paid out of distribution, service and/or 12b-1 fees that are deducted from the fund's assets, and/or may be paid directly by the fund's affiliates. Any fees deducted from fund assets are discussed in the fund's prospectus and disclosed in the fund fact sheet. Because these fees are paid on an on-going basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges. If offered through a retirement program, additional fees and expenses may be charged under that program. NOT A DEPOSIT. NOT FDIC INSURED. NOT INSURED BY ANY FEDERAL GOVERNMENT AGENCY. NOT GUARANTEED BY THE INSTITUTION. MAY GO DOWN IN VALUE.
