

American Funds® 2060 Target Date Retirement Fund® - Class R-6

Category
Target-Date 2060 +

Investment Objective & Strategy

From the investment's prospectus

The investment seeks growth, income and conservation of capital.

The fund normally invests a greater portion of its assets in bond, equity income and balanced funds as it approaches and passes its target date. The advisor attempts to achieve its investment objectives by investing in a mix of American Funds in different combinations and weightings. The underlying American Funds represent a variety of fund categories such as growth funds, growth-and-income funds, equity-income funds and a balanced fund and bond funds. The fund categories represent differing investment objectives.

Important Information

Morningstar Investment Profiles must be accompanied by Morningstar Disclosure and Glossary.

Funds or their affiliates may pay compensation to Voya® affiliates offering a fund. Such compensation may be paid out of distribution, service and/or 12b-1 fees that are deducted from the fund's assets, and/or may be paid directly by the fund's affiliates. Any fees deducted from fund assets are discussed in the fund's prospectus and disclosed in the fund fact sheet. Because these fees are paid on an on-going basis, over time these fees will increase the cost of your investment and may cost you more than paying other types of sales charges. If offered through a retirement program, additional fees and expenses may be charged under that program. NOT A DEPOSIT. NOT FDIC INSURED. NOT INSURED BY ANY FEDERAL GOVERNMENT AGENCY. NOT GUARANTEED BY THE INSTITUTION. MAY GO DOWN IN VALUE.

Notes

The return of principal for the underlying funds in this target date fund is not guaranteed. Fund shares are subject to the same interest rate, inflation and credit risks associated with the underlying bond holdings. Although the target date funds are actively managed for investors on a projected retirement date timeframe, the fund's allocation strategy does not guarantee that investors' retirement goals will be met. The target date is the year in which an investor may begin taking withdrawals. Investment professionals continue to manage each fund for 20 to 30 years after it reaches its target date. The investment adviser is currently reimbursing a portion of the other expenses for each share class. This reimbursement will be in effect through at least January 1, 2019. The adviser may elect at its discretion to extend, modify or terminate the reimbursement at that time.
